## Education

---

**Jaypee Institute of Information Technology, Noida**

B.Tech- CSE

Graduated July 2017

**Rajhans Vidyalaya ,Mumbai**

Plus Two

Graduated May 2013

## Employment History

---

**System engineer**

Infosys Pvt. Ltd.

Bengaluru, Karnataka

July 2017 - Present

**ONESOURCE**- This project required the following skills: Core Java, Java struts, JS, Node.js,MySQL.It was based on bank model and comprised of several modules ranging from rating the customer critical level to generating final reports regarding the customer including his loans, mortgage etc. Also received appreciation mail for my work on few modules from the client.

*Sep 2017- Apr 2019*

**SPECIALIST PROGRAMMER Role Change-** I was selected for this programme in my current organisation . Consequently I was trained in MEAN stack recently and would be transitioning to full stack role . I had worked on a small training project where I handled both backend and frontend using MEAN technologies.

*June 2019- present*
